How did you hear about this funding call?

Foundation's website

Email blast

Colleague

Social media

Other, please specify: \_\_\_\_\_

### 3. PROJECT APPLICANT AND TEAM

Project coordinator

First name:

Last name:

Position/title:

Address:

Phone number:

Email:

Webpage:

ORCID ID:

List of 10 major publications within the past 5 years:

Short CV (2 pages max, font 11)

Team dedicated to the project:

Name	Position	Role in the project	Involvement (% FTE)

Please write a short narrative about the expertise of the team and who is doing what.

**4. PARTNER TEAM** (if any; repeat if several partner teams)

Partner team coordinator

First name:

Last name:

Position/title:

Address:

Phone number:

Email:

Webpage:

ORCID ID:

List of 10 major publications within the past 5 years:

Short CV (2 pages max, font 11)

Team dedicated to the project:

Name	Position	Role in the project	Involvement (% FTE)

**5. SCIENTIFIC PROPOSAL**

Structure

Background and state-of-the-art

Preliminary data (10 lines)

Project objectives

Originality and innovation

Methodology

*NB : Lay out design of the study: describe design with proper details,*

*Inclusion/exclusion criteria for cases and controls, sample size...*

Project implementation

*NB : Planning and feasibility : please demonstrate that the project is feasible within the time frame, add organization plan/chart*

Impact and valorization strategy

References (included in the page count)

Format

5 pages max, font 11

Proposal in English for evaluation by international experts

No need to define endometriosis – SC members know about the disease

**6-CALENDAR**

**7. BUDGET (please fill all sections and justify)**

	Team 1	Team ...
Staff expenses		
Equipment and material costs (including consumables)		
Outsourcing/subcontracting		
Travel costs and other expenses		
Overheads
